Property Manager - Commercial

We require a licensed commercial property manager with strong management, communication, and financial skills to manage an active portfolio of Commercial properties as well as a component of Residential properties.

You must have experience in:

- Analyzing and managing individual portfolios
- Developing and executing solutions
- Preparing management reports
- Developing and maintaining budgets
- Maintaining and controlling all operating contracts for each client
- Supervising and directing on-site maintenance and contractors
- Maintaining and improving client relations

Knowledge and understanding in the following is an asset:

- Local Market
- Business trends
- Real Estate market
- Analyzing, evaluating and forecasting changes in the market

The Successful candidate must have a **Real Estate License** or a **Property Management License**.

We are in search of the right candidate to join our team, should you feel you're a fit for our company, please submit your resume.

We thank all applicants that submitted their resumes; only those chosen for an interview will be contacted.
